# ASTRIX CHEER

by Travis Castleberry

Sorry Becky, it's just hard to believe you were a cheerleader. I didn't think there was anything like that on Dian.

Shows what you know. The amazons picked it up from Nadi.

So, what were you doing with it now? Trying to prove I was wrong that you gained 20 pounds in the last month?

No smart mouth, I was going through some old stuff and found it and wondered if it still fit, and it does, of course.

Just putting it on takes me back.

What did you cheer for anyways?

7-20-00  
TSC

Soccer of course, it's about the only sport on Dian that doesn't require specialized equipment, or killing anyone.

We played vs. a neighboring team, known as the wildcats.

My two best friends were in with me.

Ohh what about the sticky details?  
Cheerleader slumber parties turning  
into orgies; locker room shower  
scenes of lust!

Get your head out  
of the toilet Molly.  
Sex at that age  
was forbidden  
(if caught) and  
we were just  
friends, you  
make everything  
so perverted.

Although Nancy, one friend  
and I did have some fun  
moments a bit later...

uh huh,  
right...

So... show  
me a cheer.

What!  
No way!

Why? Getting  
too pudgy to do  
those high kicks?

No thunder thighs, you'll  
laugh! I'm not going to  
work on my routine just  
for you to laugh at me!

I won't laugh.

Right...

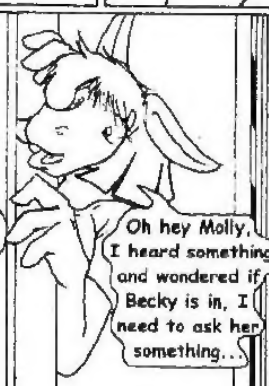

And it might get me in the mood to do  
that thing with my tongue you like so much...

Ohhh... alright.  
But no wise  
cracks either!

No, really, I swear!  
I wanna see some of  
your hot  
moves. Some  
high kicks  
wouldn't be too  
bad either.

I don't  
know....

## Down's for the Count

By James Street

COMING BACK FROM A COMIC BOOK CONVENTION, MR. TWIDDLE AND MR. BRAINWORTH HAVE CAR TROUBLE. SINCE THE TOWN'S ONLY GARAGE IS CLOSED FOR THE NIGHT, THE HAPLESS PAIR NEED A PLACE TO STAY.

A HOTEL?! I WON'T HEAR OF IT! YOU BOTH MAY STAY HERE FOR THE NIGHT.

THANK YOU, MR..

FREGOSI.

COUNT RAVNA FREGOSI.

MEANWHILE, AT AN INN NEARBY...

WELCOME TO RATH BONE INN

THOSE FOOLS! THEY'RE ACTUALLY GOING TO STAY AT THAT CURSED CASTLE!

OH, IF YOU WOULD ONLY ADVERTISE MORE, THIS SORT OF THING WOULDN'T HAPPEN!

AFTER DINNER, MR. TWIDDLE AND MR. BRAINWORTH RETIRE FOR THE EVENING, BLISSFULLY UNAWARE OF THE LURKING DANGERS OF CASTLE FREGOSI.

PEE-YEW! HOW CAN YOU EAT THOSE SMELLY THINGS?

HEY CRUNCH! DON'T KNOCK IT TILL YOU CRUNCH- TRY IT!

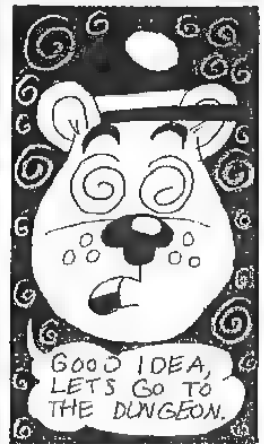

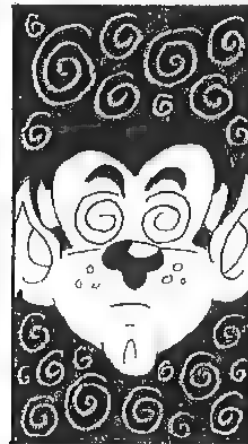

WHILE THEY QUARREL, OUR HEROES ARE BEING OBSERVED BY THE EVIL COUNT FREGOSI, BY WAY OF A MAGIC MIRROR.

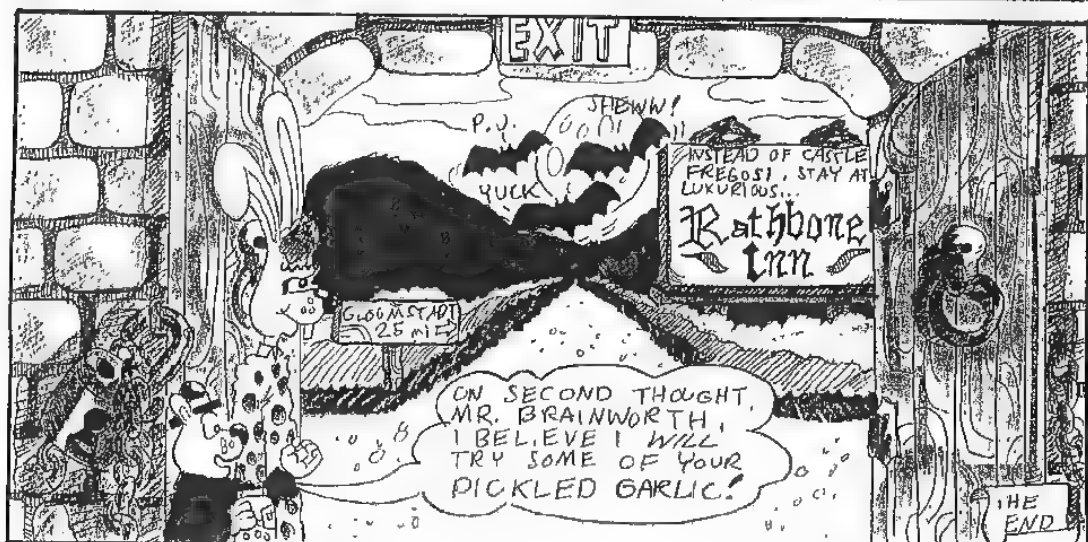

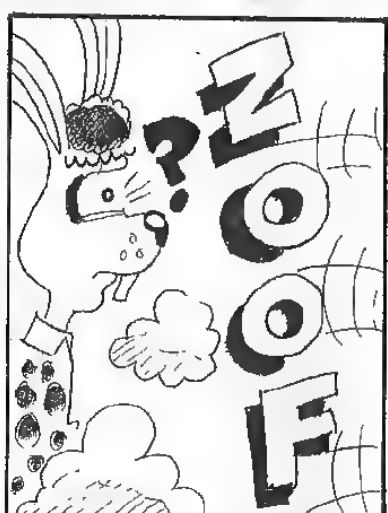

AND DON'T GET ANY PICKLE JUICE ON MY COMICS!

SHEESH. DO THOSE TWO EVER STOP ARGUING?

I ONCE HEARD THAT QUARRELSOME PEOPLE HAVE BITTER BLOOD, BUT THAT MIGHT JUST BE AN OLD WITCH'S TALE.

# I Used To Work There

by Ashley Rowland

Dumpson, drop me another 24 pieces of chicken, a half a basket of nuggets and a few handfuls of strips.

But boss, I've been working on the pre closing dishes, and I just noticed all the fryers are on the fourth drop. I need to filter the oil on all of them. If I cook anything right now it'll burn the oil.

Hey boss, a bus just pulled up!

Get on it. As soon as the oil heats up drop the first 12 pieces of chicken.

Wendy, check the dining room, and make sure there's enough napkins.

Wendy's passed out.

Great! That cuts our front counter in half. Take her back to the brake area and check her blood sugar.

She's bleeding from the nose.

That'll make it easier to get a blood sample. Now move!
